As you are aware, due to the need for an academic study that will present the religious, administrative, communal, economic, social, and cultural history of al-Quds, which is of vital importance for Muslims, in all its aspects and make it accessible to a wide audience, our General Directorate has prepared a publication project under the title “Biography of Al-Quds”. Within the framework of the said project, the authoring of the chapter titled “BUILDING EARLY ISLAMIC JERUSALEM: ARCHITECTURAL DECLARATIONS AND URBAN TRANSFORMATION” has been assigned to you with the approval of Ref (b), as it is considered that the project will be enriched with the content you will prepare.

In this respect, I kindly request that the book chapter assigned to you be prepared in a maximum of 3000 words within the framework of the writing criteria specified in the annex and sent to the e-mail address rukiye.aydogdu@diyanet.gov.tr until June 30, 2024 at the latest, and I wish you all the best in your work.
