- **Hebron Grapes Camp**, Please Childhood Center Palestinian Red Crescent Society, Hebron, leadership, July/2007

Skills:

- Non-technical skills

- ✓ Affirmation I can work under pressure.
- ✓ Speed in the formation of social relationships
- ✓ Using Microsoft office programs
- ✓ Printing with very high speed.
- ✓ Communications and negotiation skills.
- ✓ Time management
- ✓ Crisis management
- ✓ Leadership management
- ✓ Professional engineering report writing

- Technical skills

- ✓ Site safety.
- ✓ Project management.
- ✓ Calculation of quantity.
- ✓ Surveying works technique and equipment.
- ✓ Cost analysis for projects.
- ✓ Quality control.

Programs that I can use:

- Elite , Autocad , Hap Carrier , Duct Sizer .
- Spectra light lathe and milling program for Turning and Manufacturing .
- Automation studio : for hydraulic system designe .
- Autocom : for checking car
- Solidwork : Drawing and designing
- Catia : designing and D rawing
- AutoCAD: Drawing Program.
- Prezi and Power point for presentation.
- Office: Word, Excel, Etc.
- Matlab for programming.
