SUMMARY

4 years experience as a Graphic Designer; holding a B.A in Graphic Design, with solid experience in creating wireframes, storyboards, user flows, prototypes, proficient in Illustrator, Sketch and Adobe XD, designing graphical user interfaces elements, also printed materials, designing logos and creating identities. Up-to-date with the latest UI trends, techniques, and technologies.

Good background in business and communications skills. Seeking good opportunities and new challenges that can help me to achieve my goals. To me, the design industry is full of exciting, challenging careers that involve using excellent artistic skills to communicate through visual media.
