Ability to draw/sketch by hand

Awareness of Interior Design practices

## RELEVANT EXPERIENCE

**M.K Interior Design Office - Nablus, Palestine** **June 2023 – August 2023**

### Interior Design Intern

- Gained hands-on experience in developing design concepts and collaborating with teams to execute projects.
- Enhanced customer interaction skills by learning effective communication and problem-solving techniques to address client needs.
- Accompanied the owner on-site visits, gaining insight into managing relationships with contractors.
- Acquired knowledge in selecting materials and textures to enhance design quality and aesthetics.
- Assisted in organizing and presenting finished designs and plans to clients, ensuring clarity and professionalism.

**Paltel Shabab - Nablus, Palestine** **August 2022 – June 2024**

### Graphic Designer

- Collaborated with Paltel, a leading Palestinian telecommunications company, to organize events to promote company services and drive sales.
- Contributed to the Palestinian Federation for Electronic & Intellectual Sports (P.F.E.I.S), focusing on raising awareness of electronic and mental sports under the Supreme Council for Youth and Sports
- Designed event graphics and promotional materials, enhancing brand visibility and audience engagement.
- Managed social media campaigns to promote events, by increasing online presence and interaction.

**Venice Office Consultant Engineers – Nablus, Palestine** **February 2025 – June 2025**

### Interior Design Intern

- Assisted in designing functional and aesthetically pleasing interior spaces for residential and commercial projects.
- Gained hands-on experience in space planning, material selection, and 3D visualization.
- Worked on technical drawings and construction documents using AutoCAD.
- Collaborated with architects and engineers to ensure design feasibility.

- Collaborated with architects and engineers to integrate structural and MEP (Mechanical, Electrical, and Plumbing) elements into interior spaces.
- Developed a deeper understanding of project coordination, budgeting, and timeline management within the interior design process.

**An Najah National University – Nablus, Palestine**  
**Teacher Assistant (Functioning as Lead Instructor)**

**September 2025 – Present**

- Independently led lectures and tutorials for undergraduate students in [Course Name or Subject], designing and delivering course content with minimal supervision.
- Developed lesson plans, assignments, and assessments tailored to course objectives and student needs.
- Provided academic support through office hours, one-on-one mentoring, and exam preparation sessions.
- Evaluated student performance, graded assignments and exams.
- Collaborated with faculty to refine curriculum and enhance student engagement using modern teaching strategies.
- Gained hands-on experience in curriculum development, classroom management, and pedagogical techniques typically reserved for full-time faculty.

**Msteel Metals and Advertising Company – Nablus, Palestine**  
**Interior Designer**

**March 2026 – Present**

- Collaborate on interior design projects as needed
- Develop concepts, layouts, and material selections for various spaces
- Coordinate with team to deliver design solutions based on client needs
- Prepare technical drawings using AutoCAD, and produce high-quality 3D renders and visualizations

### LEADERSHIP ACTIVITIES/COURSES

**Rising Star: SCAD summer program**

- Engaged in hands-on workshops and collaborative projects, enhancing my skills and creativity in a college environment in Atlanta, Georgia.

**Beginners 3DS Max + Vray Course**

- Created detailed 3D models of interior spaces using 3DS Max.
- Applied realistic materials, textures, and UV mapping techniques for high-quality renders.
- Developed skills in rendering high-quality, photorealistic images using Vray's settings and parameters

**Professional 3DS Max + Corona Course**

- Customized settings for scale and units and used modeling techniques like FFD, lattice, and editable poly.
- Gained knowledge of Corona's lighting, camera, materials, and rendering features.

**Photoshop Post Production Course**

- Learned Essential tools to enhance design presentations by working with Layers, masks, and selections to control color, lighting, and contrast.
